Report of the  
Hopedale  
Town Finance Committee  
to the  
Annual Town Meeting  
March 12, 1973

## **TO THE CITIZENS OF THE TOWN OF HOPEDALE:**

In accordance with its duty, as provided in the town by-laws, the Finance Committee has given careful consideration to all Articles in the Town Warrant involving the expenditure of money and presents herewith its recommendations.

### **18 MONTH BUDGET**

Our deliberations this year were especially difficult because of Chapter 849 of the General Laws and its amendments requiring all cities and towns in Massachusetts to submit one budget for the 18 month period 1 January 1973 through 30 June 1974. Budgets thereafter will be on a fiscal year basis rather than the present calendar year. The new law also provides for 2 tax payments per year beginning in the fall of 1973. The first payment will be based on  $2/3$  of the full 18 month tax levy, with the remaining  $1/3$  payable in the Spring of 1974.

The Legislature's expressed purpose and intent in enacting the new fiscal cycle was to conform the accounting periods of the Commonwealth's political subdivisions to that of the Commonwealth so as to facilitate implementing improved budget and appropriation procedures and to improve the collection of property taxes.

The 18 month budget shows extraordinary expenses in some areas due to winter snow and heating seasons. This is especially apparent in the Highway and School budgets. The uncertainty of the 18 month budgeting prompted this committee to recommend doubling the reserve fund from \$15,000. to \$30,000. Last year \$80,000. of free cash was applied to the tax rate. Our free cash position which is very low now, should improve in the next budget period as 18 months available funds should be certified for use during the first 12 month fiscal year. The property tax picture should improve once the permanent fiscal cycle is implemented. This committee recommends the transfer of \$27,000. from free cash to apply to the tax rate.

### **REVENUE SHARING**

In October of 1972, the State and Local Fiscal Assistance Act became a reality providing revenue sharing funds for states, countries, cities and towns. The program requires that funds be kept in a trust account to be spent in the following areas only:

I. Ordinary and necessary maintenance and operating expenses for:

- |                             |  |
|-----------------------------|--|
| A. Public safety            | F. Libraries                           |
| B. Environmental protection | G. Social services for<br>poor or aged |
| C. Public transportation    | H. Financial administration            |
| D. Health                   |  |
| E. Recreation               |  |

II. Ordinary and necessary capital expenditures authorized by law.

The town of Hopedale has received funds totaling \$91,602. to date, representing the 1972 entitlement. The finance committee has estimated our total entitlement during the 18 month period to be \$206,102. which includes the \$91,602. already received and 5 quarterly payments of \$22,900. beginning in April of 1973. These payments should continue at approximately the same level for 4 more years.

Your finance committee, selectmen and other town officials met on several occasions to set policy on revenue sharing procedure. We strongly favored using the money for property tax relief and to embark on as few new programs as possible during the initial 18 month period, thus holding expenses to a minimum or reducing them wherever possible.

Rather than pay specific items from the trust account, the same goal could be attained smoother and more economically by paying the cost of one entire department budget plus one or two capital items from the funds. This determination was reached after consulting with town accountant, town treasurer, selectmen and appropriate state officials. The fire department budget was the logical candidate for inclusion since its total was closest to Hopedale's total entitlement. Therefore, it is the feeling of your committee that recommendation as set forth here should be adopted by the Town Meeting.

**Finance Committee recommended use of Revenue Sharing**

Article #4	1 Highway Vehicle	\$16,000.
Article #5	Fire Budget, Resuscitator, Airpaks	181,272.
Article #26	Weed Control	8,000.
Total		<hr/> \$205,272.

FINANCE COMMITTEE ESTIMATED ENTITLEMENT \$206,102.

## **BUDGETING POLICY & RECOMMENDATIONS**

Your finance committee, while meeting with departments and various town officials, in its attempt to hold down expenditures for the best interest of the tax paying citizens of Hopedale, took the following action:

1. Removed several items of expense and suggested reductions of others in the General Government budget.
2. Gave an unfavorable recommendation to Article #2 and #23 pertaining to Wage, Salary Survey and Salaries of Elected Officials.
3. Turned down the Board of Health budget, later recommending a revised budget reduced by \$7,000.
4. After extensive consultation with the Highway Commissioners, and with their cooperation, sliced the Highway request by \$14,000. and one vehicle.
5. Reduced the council on aging request from \$12,438 to \$11,588.
6. Suggested reduction of estimated interest on temporary loans by \$2,000.
7. Asked that mosquito control be cut from \$6,000. to \$4,000.

At a later date, faced with a large estimated tax rate based on figures from the assessors office, this committee reconsidered several items and made the following additional reductions:

1. Disapproved new well article #27.
2. Recommended unfavorable action on article #21 fire alerts.
3. Recommended article #4 be reduced \$5,000. by removal of 1 truck.
4. Recommended police dept. budget be reduced by \$6,041 by eliminating an extra man.

## **ESTIMATED EXPENDITURES AND RECEIPTS**

If all town requests are approved, there will be a total appropriation of \$3,252,888. As of this printing, no word has been received

from the Commonwealth regarding reimbursements which could have a direct bearing on our tax rate, up or down. On the basis of information obtained from the Assessors, it is estimated that the 1972 assessed valuation of the town will be approximately \$23,911,000.

The following condensed summary indicates the Assessor's estimate for 1973-74 and transfers from the reserve fund during 1972. The figures show an increase of \$8.00 over last year's 12 month tax rate. This estimate will be reduced if committee recommendations are followed.

## REPORT OF THE BOARD OF SELECTMEN

Nearly sixty years ago, President Calvin Coolidge wrote: "Our public men, as a class, are inspired by honorable and patriotic motives, desirous only of a faithful execution of their trust from the executive and legislative branches of the States and Nation down to the executives of our towns, who bear the dignified and significant title of selectmen. Public men must expect criticism and be prepared to endure false charges from their opponents. It is a matter of no great concern to them. But public confidence in government is a matter of great concern." We are indeed fortunate in Hopedale to have as our elected and appointed officials, men and women of the caliber described by President Coolidge. In this eighty-eighth annual report of the Board of Selectmen which follows and the other reports of town officers in this volume, it is our expectation that the continued confidence of the people of Hopedale in their local government will be fully justified despite the diminished public confidence at the federal level.

Your Board of Selectmen held 26 regular meetings, 6 special meetings and several administrative sessions during 1973. In 1973, the Board processed and issued 25 zoning permits including 9 referred to the Zoning Board of Appeals for the requisite hearing. In this regard, one of the most significant developments of the year was the adoption by the voters of a revised zoning by-law which, we believe, will serve the town well for the future and aid this Board in the administration of the zoning regulations.

As authorized by vote of the Town, the Board renewed two licenses for package stores and one club license for a total of \$1,805.00 in fees. Other licenses were issued for a total of \$550. The amount of \$153.00 was turned over to the Selectmen by the Inspector of Wires, Albert J. Shimkus, as income from 48 wire inspections. In accordance with Chapter 140, Section 157 of the General Laws, two hearings were held on dog complaints and appropriate action taken.

Acting in accordance with the vote of the Annual Town Meeting, the Board directed the Town Counsel to represent the Town in several matters before the District and Superior Courts and at several hearings. Perhaps of greatest significance to the Town was the successful defense of the ruling of the Zoning Board of Appeals on the issuance of a zoning permit for the sanitary landfill, thus allowing this project to become operative at a substantial benefit to the community. Town Counsel also continued to work on the transfer of the Rockwell Sewer System to the Town and the re-negotiation of the transfer agreement in light of changes in federal and state regulations. We want to take this opportunity to publicly commend the Town Counsel, Attorney Robert S. Phillips, for his cooperation, advice and counsel during these past months. The Town is indeed fortunate to have a person of his caliber in this important office.

The Selectmen continued this year to play an active role in the strengthening of the Massachusetts Selectmen's Association. The Board supported a progressive slate of officers and the establishment of full-time positions of executive director and

legislative agent to assist the town in matters with the State. During the year, Selectman Richard T. Moore was named by the president of the association as Chairman of the Association's Legislative Committee. Your selectmen, in cooperation with the Selectmen's Association, were successful in convincing the Governor and the Legislature to restore cuts in local aid programs and to fund the police incentive pay program.

The Board of Selectmen wish to thank all of the Town departments and officers for the cooperation they have given to the Board over the past year. We especially want to express our appreciation to all residents of Hopedale for their continued support and assistance. We welcome suggestions and comments from our fellow residents regarding the management of the community in an effort to continue to improve our service to the townspeople.

Respectfully submitted,

## REPORT OF THE PLANNING BOARD

The Planning Board acted on eight applications for endorsements believed not to require approval. The Board approved and endorsed all of the applications as in conformance with the Town By-Laws.

The Board held a public hearing on proposed changes in the Town Zoning By-Laws. The Board voted, with certain amended changes, to recommend favorable action at a Special Town Meeting.

## REPORT OF THE TOWN CLERK

The Town Clerk, in practically all instances, is the custodian of all official town records which have been compiled and filed in his office. Records of Births, Marriages, and Deaths, as well as all the votes taken at Town Meetings, are complete from the year 1886, when the Town was incorporated and separated from the Town of Milford. In this office, the records of the Registrars of Voters are also maintained, as the Town Clerk is ex-officio of that board.

Many legal requirements at the time of a Town Meeting are discharged by the Town Clerk. All By-laws and Amendments, voted by the meetings, must be submitted to the Attorney General for his approval. Unless this is obtained, the By-Laws, or Amendments do not become effective. If approval is received, then the By-laws or Amendments must be published three times, a week apart in the local newspaper, before they become valid.

Chattel mortgages, including those on automobiles and household goods, must also be recorded and discharged with the Town Clerk. Marriage intentions are filed and marriage licenses issued by this office. Other licenses issued include those for hunting and fishing, dog licenses, and renewal permits for storage of gasoline.

The Town Clerk has many duties concerning elections, including the processing of nomination papers, the printing of the ballots for Town elections, the supervision of elections and its workers, and the compilation of the total vote cast for each candidate.

## REPORT OF TOWN COUNSEL

Board of Selectmen  
Town of Hopedale  
Hopedale, Massachusetts

Gentlemen:

I hereby submit my report to you as your appointed Town Counsel.

It is a pleasure to report that for the first time since I assumed office there are no law suits outstanding against the Town of Hopedale.

During the past year a long-standing personal injury case by a citizen against the Town was heard in Westborough District Court which resulted in a verdict for the plaintiff. The judgment was paid by the Town on my recommendation.

The Zoning Board of Appeals case involving the Sanitary Landfill off South Main Street was tried in the Worcester Superior Court. It was decided in favor of the Town and a decree was entered in December dismissing the appeal, clearing the way for this most important project.

The Zoning Appeal Case involving the new Housing for the Elderly Project was heard in the Superior Court in January, 1974. A decree was entered for the Town and the appeal was dismissed.

Many other items of business were the concern of the Town Counsel during calendar year 1973:

The preparation of Articles for the Annual and Special Town Meetings; the lengthy revisions of the Hopedale Zoning ByLaws including highly technical matters connected with their passage, approval by the Attorney General and their legal effective date in the Town; a series of meetings with the Milford Sewer Commission in behalf of the residents of Villa Drive, resulting in Hopedale and Milford signing an agreement prepared by me allowing the Villa Drive residents to connect to the Milford system; assistance to the Board of Registrars of Voters in March in setting up procedures for the Sewer Commissioner recount; monitoring of the Union election by the Hopedale Permanent Firemen; and attendance, as Town Counsel, in the many regional school study meetings that have taken place in Mendon and Hopedale.

In addition to the foregoing the most important on-going project is the Town takeover of the Draper Sewer System. This has involved considerable time and

travel on my part, correspondence and meetings with various State boards, agencies, engineers and attorneys for North American Rockwell, both in Hopedale and in Boston.

As a result of my recent meetings with Counsel for North American Rockwell, the Corporation has been considering paying an additional sum to the Town. This combined with their prior Agreement to pay \$250,000.00 would increase their total cash contribution to the Town along with their gift to the Town of the entire sewer system and plant. I anticipate that the legal transfer to the Town of physical plant and system will take place in the Spring of 1974, with the new plant opening in 1976, if all goes smoothly with Federal and State grants and the general state of the economy.

In addition to the foregoing I have attended the weekly meetings of the Board of Selectmen and rendered opinions, both written and oral, to them and to various boards and officials as they have requested them. There are no unanswered formal requests for opinions pending in my office.

I thank all of the many Town Officials and Boards for their cooperation during the year and in particular my sincere appreciation to the Town Hall Office Staff who have been most cooperative in the many requests made of them.

Respectfully submitted,

Robert S. Phillips  
Town Counsel

The Polls will close at 8:00 P.M.

And in the name of the Commonwealth aforesaid, you are further required to notify and warn the inhabitants of the Town qualified to vote in Town affairs, to meet in the Dennett Auditorium on Monday at 7:30 o'clock P.M., the twelfth day of March, A.D., 1973, then and there to act upon the following articles, namely:

ARTICLE 1. To see if the Town will vote to hear and act upon the report of the Selectmen, School Committee, the Fire Department, and any other officers and committees of the Town.

ARTICLE 2. To see what salary and compensation the Town will allow each elected officer for his services.

ARTICLE 3. To raise and appropriate from any surplus or available funds in the Treasury, such sum or sums of money as may be deemed necessary to defray Town charges for the ensuing year.

ARTICLE 4. To see if the Town will vote to transfer the sum of \$21,000 from the "Revenue Sharing Trust Fund" for the purchase of a 1973 street sweeper to replace a 1962 Wayne Street Sweeper and to purchase a 1973 one-half ton four wheel drive truck to replace a 1965 International pick-up truck, or take any action in relation thereto.

ARTICLE 5. To see if the Town will vote to transfer the sum of \$181,272.22 from the "Revenue Sharing Trust Fund" for the maintenance and operation of the Fire Department for the eighteen month fiscal year, or take any action in relation thereto.

ARTICLE 6. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the eighteen month period beginning January 1, 1973 in accordance with General Laws, Chapter 44, Section 4, and acts in amendment thereof, and including in addition thereto, Chapter 849 of the Acts of 1969, as amended, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

ARTICLE 7. To see what disposition the Town will make of money refunded from the County on account of the Dog Tax.

ARTICLE 8. To see if the Town will authorize the Selectmen to take charge of all legal proceedings for or against the Town.

ARTICLE 9. To see what sum of money the Town will raise and appropriate for Insect Pest Control.

ARTICLE 10. To see what sum of money the Town will raise and appropriate for the suppression of Dutch Elm Disease.

ARTICLE 11. To see if the Town will vote to raise and appropriate and/or transfer from Overlay Reserve, a sum or sums of money for a Reserve Fund.

ARTICLE 12. To see if the Town will vote to raise and appropriate a sum or sums of money for the maintenance of streets under Chapter 90, to be expended under the supervision of the Selectmen, and to authorize the Selectmen on behalf of the Town to enter into any contracts or agreements in regard to maintenance, or take any action in relation thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate a sum of money for the construction of Freedom and Hopedale Streets under Chapter 90, to be expended under the supervision of the Selectmen on behalf of the Town to enter into any contracts or agreements in regard to said construction or take any action in relation thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate a sum of money for the reconstruction of Freedom and Hopedale Streets under Chapter 90, 100% reimbursable clause, to be expended under the supervision of the Selectmen on behalf of the Town to enter into any contracts or agreements in regard to said reconstruction, or take any action in relation thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate a sum of money for the capital and operational costs of the Blackstone Valley Vocational Regional School District, being the Town's proportionate share of the interest and installment reduction of bond principal, to become due on its bonds, together with expenses of school operation during the eighteen month period, or take any action in relation thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate a sum of money to pay costs and expenses of the Central Massachusetts Regional Planning Commission District for the eighteen month fiscal year, Section 7, Chapter 40B of the General Laws, or take any action in relation thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be expended under the direction of the Board of Health for a Mosquito Control Program, or take any action in relation thereto.

ARTICLE 18. To see if the Town will vote to accept the provisions of Section 8A of Chapter 40 of the General Laws as established by Chapter 297 of the Acts of 1954 and amended by Chapter 102 of the Acts of 1955, and to establish a development and industrial commission of five (5) members with all of the powers duties thereof as provided in said Section 8A of Chapter 40 of the General Laws, or take any action in relation thereto.

ARTICLE 19. To see if the Town will vote to declare an Industrial Development Financing Authority is needed in the Town of Hopedale and that (1) unemployment or the threat thereof exists in the Town of Hopedale, or (2) security against future unemployment and lack of business opportunity is required in the Town, and that unemployment or the threat thereof can be alleviated or the security against future unemployment and lack of business opportunity can be provided, by attracting new industry to the Town or substantially expanding industry existing in the Town through an industrial development project or projects financed under Chapter 772 of the Acts of 1967. The Town Meeting determines that there is need for such an authority and in making this determination, the Town Meeting has taken into consideration the Town's ability to adjust to any expected increase in the demand for municipal facilities and services as a result of the expected increase in employment and business activity from such industrial development.

ARTICLE 20. To see if the Town will vote to change the terms of the following elected officers from one (1) year to three (3) years effective as follows: To fix the term of Tree Warden and the Town Clerk at three (3) years effective at the annual Town Election in 1974. To fix the term of the Town Treasurer and the Tax Collector at three (3) years effective at the annual Town Election in 1975, or take any action in relation thereto.

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of \$4,500.00 for the Fire Department to purchase a home alerting radio system for all fire fighters, or take any action in relation thereto.

ARTICLE 22. To see if the Town will vote to establish a Town vehicle storage building committee composed of seven members, including representatives of the Highway, Water, Police, and School departments and the Finance Committee, appointed by the moderator to study the need for a building to house town vehicles and other equipment, and if that need is determined, the committee shall further study the location, type of construction, and cost of such a facility, and shall report on their findings at the next annual Town Meeting.

ARTICLE 23. To see if the Town will vote to raise and appropriate a sum of money, to be expended under the direction of the Board of Selectmen, for the

implementation of a job and salary rating system for town employees, or take any action in relation thereto.

ARTICLE 24. To see if the Town will vote to amend Chapter II of the By-Laws of the Town entitled "Town Meeting" by deleting the present Section 2 and inserting in place thereof the following:

Section 2. All business of the annual Town Meeting except the election of such officers and the determination of such matters as are required by law to be elected or determined by ballot, shall be considered at an adjournment of such meeting to be held on the first Monday of May at 7:30 p.m.

ARTICLE 25. To see if the Town will vote to add the following Chapter to the Town By-Laws:

### CHAPTER XIII

#### Private Fire and Burglar Alarm Systems

- Section 1. No person or corporation shall install or maintain any type of a private fire or burglar alarm system which is connected to the municipal fire or police system, or is designed to automatically call any municipal telephone, or is designed to signal the police or fire department by any means whatsoever, without a permit in writing from the Fire Chief or Police Chief allowing the installation and continued maintenance of the system.
- Section 2. Before granting any such permit the Chief of the Department involved may require the submission of such detailed plans, specifications and other technical data as may be necessary to determine the nature and extent of the proposed installation and its compatability with the existing municipal systems and services. If the system is designed to automatically call the telephone of the department involved, the Chief of said department may require the system to be connected to a separate telephone, the cost of which shall be paid proportionately by the persons connected to said special telephone. Any increased operating costs or connection costs shall also be paid by the applicant. In the case of a continuing obligation for operating costs the permit may be revoked for failure to pay the same.
- Section 3. The Chief of the Department issuing the permit may revoke the permit if the installation is a continuing cause of false alarms and the owner, after notice from the Department, fails to correct the cause. The notice of revocation, for this or other reasons, shall be mailed certified mail, postage prepaid, to the owner of the system as his name appears on department records. The notice shall state the cause of revocation and the effective date of the same which shall be not less than seven (7) days after the date of the notice.

Section 4. Whoever violates any provision of this By-Law shall be punished by a fine not to exceed \$20.00 for each offense. Each day the violation continues shall constitute a separate offense.

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money for the continuation of a weed control program for Hopedale Pond, or take any action in relation thereto.

ARTICLE 27. To see if the Town will vote to raise and appropriate a sum of money for a new 12" diameter gravel wall well to replace the existing well off Greene Street, or take any action in relation thereto.

ARTICLE 28. To see if the Town will vote to authorize the Selectmen, acting in accordance with Chapter 634 of the Acts of 1971, to transfer title of the Hope Street Bridge to the Commonwealth of Massachusetts, or take any action in relation thereto.

ARTICLE 29. To see if the Town will vote to raise and appropriate or transfer from available funds, a sum of money to be expended under the direction of the Board of Health for Rubbish and Garbage Collection in the Town of Hopedale and authorize said Board to enter into a contract for the Collection of Garbage and Rubbish, or take any action in relation thereto.

ARTICLE 30. To see whether the Town will authorize and direct the Assessors to take a sum of money from available funds to reduce the tax levy for the current year, or take any action in relation thereto.

And you are hereby directed to serve this Warrant, by posting attested copies thereof in five or more places in said Town, seven days at least before the time set for said meeting.

Hereof fail not, and make due returns of the Warrant, with your doings thereon to the Clerk of the said Town, at the time of meeting aforesaid.

Given under our hands at Hopedale this 14th day of February, A.D., 1973.

Article 10. Voted: Unanimously, that the Town raise and appropriate the sum of \$1,875.00 for Dutch Elm Disease, along with any sums received from the County under Chapter 132, Section 26D of the General Laws, as amended.

Article 11. Voted: Unanimously that the vote to appropriate the sum of \$30,000.00 for a Reserve Fund, \$13,000.00 to be raised from taxation, \$17,000.00 to be transferred from Overlay Surplus.

Article 12. Voted: Unanimously, that the Town vote to raise and appropriate the sum of \$1,200.00 for the maintenance of streets under Chapter 90, to be expended under the supervision of the Selectmen, and to authorize the Selectmen, on behalf of the Town, to enter into any contracts or agreements in relation thereto.

Article 13. Voted: Unanimously, that the Town vote to raise and appropriate the sum of \$8,000.00 for reconstruction of Freedom and Hopedale Streets under Chapter 90, to be expended under the supervision of the Selectmen, and to authorize the Selectmen, on behalf of the Town, to enter into any contracts or agreements in regard to said construction.

Article 14. Motion made and seconded to pass over Article. So voted.

Article 15. Voted: Unanimously, that the Town vote to raise and appropriate the sum of \$47,669.00 for the Capital and operational costs of the Blackstone Valley Vocational Regional School District, being the Town's proportionate share

of the interest and installment reduction of bond principal, to become due on its bonds, together with expenses of school operation for the eighteen month fiscal year.

Article 16. Voted: Unanimously, that the Town vote to raise and appropriate the sum of \$4680.00 to pay costs and expenses of the Central Massachusetts Regional Planning Commission District for the eighteen month fiscal year as provided in the General Laws, Chapter 40B, Section 7, as amended.

Article 17. Voted: Unanimously, that the Town vote to raise and appropriate the sum of \$4,000.00 to be expended under the direction of the Board of Health for a Mosquito Control Program.

Article 18. Voted: Unanimously, that the Town vote to accept the provisions of Section 8A of Chapter 40 of the General Laws as established by Chapter 297 of the Acts of 1954 and amended by Chapter 102 of the Acts of 1955, and to establish a development and industrial commission of five (5) members with all of the powers and duties thereof as provided in said Section 8A of Chapter 40 of the General Laws.

Article 19. Voted: Unanimously, that the Town vote to declare an Industrial Development Financing Authority is needed in the Town of Hopedale and that (1) unemployment and lack of business opportunity is required in the Town, and that unemployment or the threat thereof can be alleviated or the security against future unemployment and lack of business opportunity can be provided, by attracting new industry to the Town or substantially expanding industry existing in the Town through an industrial development project or projects financed under Chapter 772 of the Acts of 1967. The Town Meeting determines that there is need for such an authority and in making this determination, the Town Meeting has taken into consideration the Town's ability to adjust to any expected increase in the demand for municipal facilities and services as a result of the expected increase in employment and business activity from such industrial development.

Article 20. Voted: Unanimously, that the Town vote to change the terms of the following elected officers from one (1) year to three (3) years effective as follows: To fix the term of Tree Warden and the Town Clerk at three (3) years effective at the annual Town Election in 1974. study the location, type of construction, and cost of such a facility, and shall report on their findings at the next annual Town Meeting.

Article 23. This article was defeated by voice vote.

Article 24. Voted: Unanimously, that the Town vote to amend Chapter 11 of the By-Laws of the Town entitled "Town Meeting" by deleting the present Section 2 and inserting in place thereof the following:

Section 2. All business of the annual Town Meeting except the election of such officers and the determination of such matters as are required by law to be elected or determined by ballot, shall be considered at an adjournment of such meeting to be held on the first Monday of May at 7:30 p.m.

Article 25. Voted: Unanimously, that the Town will vote to add the following Chapter to the Town By-Laws:

### CHAPTER XIII

#### Private Fire and Burglar Alarm Systems

Section 1. No person or corporation shall install or maintain any type of a private fire or burglar alarm system which is connected to the municipal fire or police system, or is designed to automatically call any municipal telephone, or is designed to signal the police or fire department by any means whatsoever, without a permit in writing from the Fire Chief or Police Chief allowing the installation and continued maintenance of the system.

Section 2. Before granting any such permit the Chief of the Department involved may require the submission of such detailed plans, specifications and other technical data as may be necessary to determine the nature and extent of the proposed installation and its compatability with the existing municipal systems and services. If the system is designed to automatically call the telephone of the department involved the Chief of said department may require the system to be connected to a separate telephone, the cost of which shall be paid proportionately by the persons connected to said special telephone. Any increased operating costs or connection costs shall also be apid by the applicant. In the case of a continuing obligation for operating costs the permit may be revoked for failure to pay the same.

Section 3. The Chief of the Department issuing the permit may revoke the permit if the installation is a continuing cause of false alarms and the owner after notice from the Department fails to correct the cause. The notice of revocation, for this or other reasons, shall be mailed certified mail,

...stage prepaid, to the owner of the system as his name appears on department records. The notice shall state the cause of revocation and the effective date of the same which shall be not less than seven (7) days after the date of the notice.

Section 4. Whoever violates any provision of this By-Law shall be punished by a fine not to exceed \$20.00 for each offense. Each day the violation continues shall constitute a separate offense.

Article 26. Voted: Unanimously, that the Town vote to transfer the sum of \$8,000.00 from the "Revenue Sharing Trust Fund Account" for the continuation of a weed control program for Hopedale.

Article 27. Motion made and seconded to pass over Article. So voted.

Article 28. Voted: Unanimously, that the Town vote to authorize the Selectmen, acting in accordance with Chapter 634 of the Acts of 1971, to transfer title of the Hope Street Bridge to the Commonwealth of Massachusetts.

Article 29. Voted: Unanimously, that the Town vote to raise and appropriate the sum of \$33,700.00 to be expended under the direction of the Board of Health for Rubbish and Garbage Collection in the Town of Hopedale, and authorize said Board to enter into a contract for three (3) years for the collection of Rubbish and Garbage for the sum of \$74,550.00

Article 30. Voted: Unanimously, that the Town authorize and direct the Assessors to take the sum of \$27,000.00 from free cash, and the sum of \$5,000.00 from the Isabella Chase Trust Fund, a total of \$32,000.00 to be used for the purpose of reducing the tax levy for the current year.

Upon motion of Selectman Richard T. Moore duly made and seconded it was Voted: Unanimously, to dissolve the Warrant at 10:45 p.m.

## SPECIAL TOWN MEETING

June 11, 1973

The Special Town Meeting was called to order by Moderator Edwin Howard at 7:35 p.m. with 150 voters present, constituting more than the required Quorum. Upon motion made by Town Counsel Robert S. Phillips and seconded by Selectman Carl R. Bresciani the meeting voted to dispense with the reading of the entire Warrant and the Town Clerk read the return of the Constable.

ARTICLE 1. To see if the Town will vote to raise and appropriate by transfer from available funds a sum of money for the salary of the clerk of the Blackstone Valley Consortium, or take any action in relation thereto.

Voted: Unanimously, that the Town vote to raise and appropriate by transfer from available funds the sum of \$3,678.00 for the salary of the clerk of the Blackstone Valley Consortium.

ARTICLE 2. To see if the Town will vote to transfer a sum of money from available funds to the Chapter 90 Highway Account, or take any action in relation thereto.

Voted: Unanimously, that the Town vote to raise and appropriate by transfer from available funds the sum of \$2,583.00 to the Chapter 90 Highway Account.

ARTICLE 3. To see if the Town will vote to adopt the amendments and changes to the Town of Hopedale Zoning By-Laws as contained in the Report of the Zoning By-Law Study Committee, a copy of said Report being on file in the office of the Town Clerk and with the Moderator, said amendments providing that the boundaries of the various districts be changed and reestablished as shown on the Zoning maps accompanying said report, and that the uses, rules, regulations, and restrictions of the various zones shown therein be changed by amendment, addition and repeal of the present zoning by-laws, all as set forth in said report, or take any action in relation thereto.

A Motion was made by Selectman Hayes and seconded by Selectman Bresciani that the Town vote to adopt the amendments and changes to the Town of Hopedale Zoning By-Laws as contained in the Report of the Zoning By-Law Study Committee, a copy of said Report being on file in the office of the Town Clerk and with the Moderator, said amendments providing that the boundaries of the various districts be changed and reestablished as shown on the Zoning maps accompanying said report, and the uses, rules, regulations and restrictions of the various zones shown therein be changed by amendments, addition, and repeal of the present zoning by-laws, all as set forth in said report.

The Chairman of the Planning Board Edward L. Condon reported that his Board held a Public Hearing on the proposed By-Laws on June 4, 1973, at 7:30 p.m. in the Hopedale Town Hall. A copy of the By-Laws having been delivered to every occupied dwelling in the Town. On June 7, 1973, the Planning Board at a duly called meeting voted unanimously to recommend to this Special Town Meeting that the Town adopt the proposed By-Laws and Zoning map, except for a few amendments the Planning Board would offer at the appropriate time.

The Moderator accepted the report of the Planning Board and declared the Article was properly before the meeting.

Upon motion of Selectman Hayes the following typographical corrections in the text were made: Page 4 change 2.24 to 2.25 the second time; page 4 "occupies" to "occupy"; page 6, insert May 1st; in Section 3.2, change "Section 14" to "Section 15" same page; page 9 change "Section 13" to "Section 14"; page 21 change "Section 11 and 13" to "Sections 11 and 14."

Upon Motion duly made and seconded the following amendment made by Mr. Condon and seconded by Mr. Bresciani was unanimously Voted: "The following is the Zoning By-Law of the Town of Hopedale, Massachusetts and is published in accordance with Section 32 Chapter 40 of the General Laws of Massachusetts. This Zoning By-Law repeals all existing and present Zoning By-Laws of the Town of Hopedale."

Mr. Condon moved, seconded by Mr. Moore that Section 2.12 definition of Commercial landfill be deleted.

Motion defeated 83 to 52.

Mr. Condon moved, seconded by Mr. Hayes an amendment to Section 5.4 "All lots of land shown on a preliminary plan or definitive plan, approved by the Planning Board under the Provisions of Chapter 41, and amendments thereto, and duly recorded with the Worcester District Deeds shall be exempted from the provisions of this By-Law for a period of Five Years."

Adopted unanimous voice vote.

Mr. Condon moved, seconded by Town Counsel Phillips that Section 10.1 (A) be amended as follows. "The Zoning Inspector shall have among others the following duties and responsibilities:"

Adopted voice vote unanimous.

Mr. Condon moved, seconded by Selectman Bresciani to amend Section 10.1 (B) as follows: "To review any application for a zoning permit to determine the conformance of such application with the provisions of this By-Law and to submit in writing to the Board of Selectmen his recommendations."

Adopted voice vote unanimous.

Mr. Condon moved, seconded by Town Counsel Phillips to amend Section 10.1 (C) as follows: "He shall, when instructed by the Board of Selectmen, inspect any use, etc." as listed from that point on in the section in the text.

Adopted voice vote, unanimous.

Mr. Condon moved, seconded by Selectman Bresciani, to amend Section 10.2 as follows: "Accompanied by three prints."

Adopted voice vote, unanimous.

Mr. Condon moved, seconded by Selectman Bresciani, that the following changes be made in the use regulation chart in Section 11, Subsection 11.1.

	RA	RB	C	I	Rec	T	Cem
11.2 Residential							
Single Family	Y	Y	Y	N	N	N	N
*Two-Family	SP	N	N	N	N	N	N
Residential office or studio	Y	Y	Y	N	N	N	N
Private garage for storage of more than three vehicles or more than one truck	SP	SP	Y	Y	SP	Y	Y

Mrs. Francis moved an amendment to Mr. Condon's motion which was defeated on voice vote.

Mr. Condon's motion then was adopted on a voice vote, unanimous.

Mr. Condon then moved the following changes which were adopted by unanimous voice vote:

	RA	RB	C	I	Rec	T	Cem
Establishment for the sale and storage of building equipment, or supplies not considered to be hardware; warehouses	N	N	Y	Y	N	N	N

"Textile and paper mills; iron, steel, and metal foundries; (delete warehouses) and concrete manufacturing and washed sand and gravel plants; sale and storage of concrete products, sand, gravel and loam, burrow and clay fill"

	RA	RB	C	I	Rec	T	Cem
non-religious, sectarian or denominational school which is profit making. Non-profit library, museum, art gallery	Y	Y	Y	Y	Y	Y	N
Day Care Center	SP	SP	SP	N	N	N	N

Mr. Condon moved, seconded by Selectman Bresciani, to delete Section 12.11, Listing Commercial Landfill as a prohibited use. After prolonged discussion, Mr. Hayes moved to amend Mr. Condon's motion by adding the words "provided it would not render moot the pending Zoning Appeal Case." Mr. Giacomuzzi raised a point of order which the Moderator overruled. Mr. Hayes' amendment was put to a vote and was declared carried on a voice vote.

Town Counsel Phillips then made a motion to reconsider action on said Section 12.11. Motion was declared adopted on a voice vote. Mr. Condon then withdrew his original motion to delete the section. Mr. Condon then moved that Section 12.11 be amended to read "Commercial Landfills and dumps provided that this prohibition is not intended to render moot any present case pending in the Superior Court appealing the decision of the Zoning Board of Appeals with regard to a Sanitary Landfill."

Amendment declared carried on a voice vote. Mr. Condon moved that the map be amended by adding certain commercial areas on Hartford Avenue.

Declared carried by voice vote.

Mr. Ludovico Ambrogi offered an amendment to Section 13.1 which was defeated by a division of the House. Mr. Pannichelli offered an amendment to Section 13.1 which was defeated on a voice vote.

Mr. John Moran moved an amendment that a portion of Mellen, Plain and South Main Streets shown on the map as "Commercial" be zoned "Residential B."

Adopted unanimous voice vote.

At this point, with all amendments acted upon, the Moderator called for a vote on the adoption of the main motion as amended by the foregoing adopted amendments. Failing to get a unanimous voice vote, the Moderator divided the House and a count showed 89 in favor and 13 against. The Moderator declared the article carried.

Consideration came next on Articles 4, 5, 6. The Moderator read an opinion from Town Counsel Phillips stating that for certain legal reasons having to do with failure to comply with legal street lay-out requirements, none of these Articles could be acted upon, as presented, because they would involve the expenditure of public funds for private purposes.

ARTICLE 4. To see if the Town will vote to accept as a public way a private way known as Villa Drive, or take any other action in relation thereto.

Declared out of order and passed over.

ARTICLE 5. To see if the Town will vote to transfer from Excess and Deficiency Account, a sum of money for the purposes of constructing or repairing Villa Drive, or take any other action in relation thereto.

Declared out of order and passed over.

ARTICLE 6. To see if the Town will vote to transfer from the Excess and Deficiency Account a sum of money for the purposes of construction of a sewer main line on Villa Drive; and that the Selectmen petition the Milford Board of Selectmen for permission to connect said sewer main line on Villa Drive to the Milford sewer line and system in accordance with an agreement between the Town of Milford and the Town of Hopedale; and to authorize the Selectmen to accept a gift of money to be used for the purposes of constructing said sewer mainline on Villa Drive, and said money to be expended under the supervision of the Sewer Commissioners, or take any action in relation thereto.

Upon motion of Town Counsel Phillips, seconded by Selectman Bresciani, it was

Voted: that the Town authorize the Board of Sewer Commissioners to proceed under a certain contract dated September 17, 1908 to file a request with the Town of Milford Board of Sewer Commissioners for a main sewer line connection to serve Villa Drive, South Main Street area, said main sewer line and connection thereto to be constructed in accordance with the provisions of said contract and at the expense of the residents of said area; and that the Board of Sewer Commissioners be authorized for and in behalf of the Town of Hopedale to accept as a gift and as a part of the municipal sewer system said main line and connections when the same has been installed to the approval of the Town of Hopedale Sewer Commissioners.

Upon motion by Selectman Bresciani, seconded by Town Counsel Phillips, it was voted, unanimously, to dissolve the Warrant at 10:58 p.m.

## REPORT OF THE SANITATION OFFICER

During 1973, I investigated 14 applications for sewage permits. Upon completion of the work connected with these applications, I conducted inspections. A total of \$70.00 was received from sewage permits and was turned over to the Town Treasurer.

A total of 17 sewage complaints were investigated by me; orders were given to ten property owners to clean up their homes and yards following inspection of complaints; one business establishment owner was ordered to clean up his property; two complaints of water in cellars were investigated as were five complaints of water flowing onto the property of residents, the result of improper drainage, some of it caused by construction in Milford.

An order was given to a property owner to fill and seal a well located in the cellar of property owned by him. An uncovered septic tank at a business establishment was also ordered covered.

During the year I attended, with members of the Board of Health, several meetings, among which was a seminar on ordinance variances and another on the State building code as it relates to health matters.

Several meetings were also attended by myself and members of the Board of Health to discuss with Milford officials, drainage, sewerage tie-ins and other matters causing Hopedale residents to experience problems.

In January, February and October of this year, trees affected by Dutch Elm Disease, which were cut down, were burned at the landfill with the permission of the Fire Chief.

A total of 22 offenders of rubbish disposal on public ways rules were apprehended and made to pick up the rubbish. Offenders included residents of Hopedale, Milford, Northbridge, Mendon and Upton.

On February 19th, I reported to the Board of Health that the landfill site off Freedom Street was reaching a state of full capacity and would pose a serious problem in the near future, which has been the case.

In November, I investigated and worked with Draper Division personnel to correct the results of an oil spillage into Spindelville Pond.

During the year, calls relating to the disposal or burial of 14 cats were taken care of by me. Three dogs were ordered restrained by me in the absence of Animal Inspector W. Chester Sanborn.

Respectfully submitted,

BENJAMIN PHILLIPS

## REPORT OF THE MILK INSPECTOR

In March 1973, I was re-appointed to the position of Milk Inspector and Collector by the Board of Health. All milk dealers that deliver milk and oleomargarine products in Hopedale were contacted by me requesting that their milk and milk products be sent to an authorized laboratory and results of these tests be returned to me. Permits were issued to all dealers having established good quality of their product as determined by State Regulation and a sum of \$41.00 was collected and turned over to the Town Treasurer.

\$35.00 was turned over to the Town Treasurer for Common Victualers license fees.

It was also decided by the Board that anyone having grievances of milk quality present them to the Board of Health in writing.

C. JOANNE FRANCIS  
Milk Inspector

## REPORT OF THE PLUMBING INSPECTOR

During the year 1973 there were 72 Plumbing Permits issued. A total of \$440.00 was collected and turned over to the Town Treasurer.

ROBERT J. ROSSETTI  
Plumbing Inspector

## REPORT OF THE CONSERVATION COMMISSION

During this past year, a fence has been installed at the South Hopedale Playground area. A new ball field was created, stones removed, the area raked and seeded. Company A, 181st Engineer Battalion of Milford is to be thanked for the assistance they rendered on work done at the site.

Respectfully submitted,

ROBERT A. ROCKS, Chairman

# REPORT OF WATER COMMISSIONERS and WATER DEPARTMENT SUPERINTENDENT

I submit herewith the following report for the year ending December 31, 1973.

## GENERAL STATISTICS

Total area of land for the water supply purposes — 24½ acres.

Source of supply — thirty-three 2½" driven wells and one twenty-four inch gravel packed well.

Mode of supply — Direct pumping into distributions system with overflow to standpipe of 846,000 gal. capacity.

One 300 GPM and one 350 GPM centrifugal pumps each directly connected to electric motor and one gasoline engine. One 150 GPM turbine deep well pump.

## STATISTICS ON CONSUMPTION OF WATER

Total consumption of water pumped for year — 129,724,000 gallons

Passed through meters — 111,153,150 gallons

Percentage of used services metered — 100%

Meters in service — 1194

Water purchased — 41,595,900 gallons

Average daily consumption — 470,000

## DISTRIBUTION SYSTEM

Kind of pipe — Cast iron, cement lined, tar coated and transite

Sizes — 2 inch to 12 inch

Total now in use — 13.30 miles

Number of hydrants now in use — 128

Range of pressure on system — 48 to 130 lbs.

The safe yield of existing wells is being exceeded. The report on development of additional water supply November 1965 told us that it is imperative that additional water supply be developed as soon as it is feasible to do so.

I am grateful for the advice and cooperation of the Board of Water Commissioners, also the various Town departments and other personnel for their able assistance.

GEORGE K. ALLEN  
Water Superintendent

## REPORT OF THE BOARD OF SEWER COMMISSIONERS

The Board of Sewer Commissioners, established this year, met for the first time on April 11, 1973. The Board was created because of the impending Town takeover of the Draper-owned sewer system.

The Board has met a number of times with Frank and Allan Morgenroth of the firm of Morgenroth Associates, Consulting Engineers for the Town for the takeover of the system. These meetings have been held in order that the Commissioners can be kept up to date on sewerage system takeover progress.

In November, a meeting was held to arrange for the filing of applications with State and Federal agencies as preliminary steps for acquisition of monetary grants, the initial step toward ownership of the sewerage system.

Present at the meeting were Frank and Allan Morgenroth; Sewer Commissioners Benjamin Phillips (Chairman), Howard Whitney and Randell Sample; Town Counsel Robert S. Phillips and Rockwell International Assistant General Counsel Attorney Arnold W. Canfield.

It was projected at the conclusion of the meeting that applications for funding could be submitted to the State and Federal agencies by the end of December or the first of January 1974.

After many meetings with the Sewer Commissioners of the Town of Milford, this Board has acquired sewer tie-in permits for homes on Villa Drive, four homes on South Main Street and one facility on South Main Street. The homes and the facility will be connected to the Milford sewerage system. The homes are being tied-in under provisions of the 1908 agreement between the two towns.

A number of meetings have been held with members of the Housing Authority, its architect and contractor to discuss and study the best method of connection for sewerage at the proposed 40 unit construction site for the Housing of Elderly Citizens. This matter is still under study and discussion, in order that the best interests of the Town of Hopedale may be served.

During 1973, a problem was discovered in the Mendon Street sewer line. A television camera was sent through the line and a break was found to exist. Because of the necessity of repairing this break, and the fact that the Board of Sewer Commissioners was established without funds, the Board met with the Finance Committee to request the transfer of \$1,000 with which to pay for the repairs connected with this problem. The Finance Committee approved the request and the repairs have been completed.

Respectfully submitted,

BENJAMIN PHILLIPS (Chairman)  
HOWARD WHITNEY (Clerk)

## REPORT OF CIVIL DEFENSE

Owing to the emergency crisis, a closer connection has developed between CD and Emergency Preparedness with the Local Authorities. CD is ready with a program to offer in the event of an emergency crisis. These plans are all on paper and could very easily be put into action.

Hopedale's Preparedness questionnaire was fully recorded and returned to CD Headquarters along with other important data.

It is gratifying at this time to note how many of our community have availed themselves of CD's loaning of hospital beds, walkers, crutches, etc., to be used for home care of the ill in the home.

We continue with monthly simulated test messages between 21 towns and have an average of 16 towns participating. Thanks to our radio operators who attend regularly.

Communications are still one of our important ways of accomplishing our aims.

I would like at this time to thank our Fire, Police and Highway Departments for their cooperation on December 17th and 18th, also the kind people who opened their homes to numbers of residents who were without power.

Hopedale Fire Department

## REPORT OF THE PARK COMMISSIONERS

The Park Department enjoyed a successful season under the supervision of its new Director of Recreation, Paul Lombardi, and its maintenance supervisor, Clayton Wright. Both Mr. Lombardi and Mr. Wright, together with their staff, are to be commended for their fine efforts in directing activities at the Pond, Town Park and South End Park.

Our annual tennis clinic was conducted, once again, for both the youth and adults of the Town. The program was greeted with as much enthusiasm as ever and all who participated expressed complete satisfaction with the presentation of the instructors. Mr. Burke is to be commended for a job well-done.

A golf clinic, under the capable direction of Mr. Jean Stare, was held for interested youth of the Town. Fifteen youths participated in the four session clinic and those participating expressed both interest and optimism in reaping benefit from their instructions.

A traveling troupe of minstrels, who were all students from the University of New Hampshire, came into town for one day of minstreling and puppeteering. They conducted a morning and an afternoon performance at Town Park and the 250 boys and girls from ages 4 to 14 delighted to these witty and talented minstrels. Many children and mothers as well expressed their hopes that the "Little Blue Wagon" would be on our summer schedule again next year. This program, along with the golf clinic, is part of the Commissioners' intent to offer increasing variety to our summer program.

Once again, a variety of activities were available for children of all ages. Shuffleboard, baseball, tetherball, tennis, girl's softball, foul shooting contests and intramural basketball were very popular. In addition, there were doll contests, bicycle races, a balloon launch, ping-pong and badminton tournaments, a pie eating contest and checker and chess tournaments. There were also field trips conducted during the summer. These are always very popular with the children and ranged from Southwick Animal Farm to Fenway Park. The annual Parkland picnic closed out the summer park activities.

The swimming program, under the watchful eyes of our qualified Red Cross instructors, was again very successful. The instructors, together with our staff, created swimming teams among the youth of the Town and conducted intramural races on a weekly basis. An adult swim program was also created and many adults participated in the mile-swim program.

There was a total of 12,300 people checking into the bath house during the past summer. This showed an increase of approximately 4,000 bathers from 1972. In addition, 176 children passed various swimming tests this year, an increase of 77 over 1972. This marked increase is indicative of the improved weed condition over the previous season.

Phase Two of our weed control program was implemented in the spring. This consisted of a complete check of the pond and spot treatment of areas showing any signs of remaining weeds. An additional survey was conducted in the Fall with all indications pointing toward a very successful maintenance program. This program is being conducted by Allied Biological Control Corporation of Wellesley.

The arts and crafts program at the Town Park was greeted with the usual enthusiasm. A variety of skills were exhibited by the youth and their talents improved rapidly during the season. A member of the staff was placed at South Park for the purpose of availing arts and crafts to the youth of that area. The schedule was reduced from daily to three days a week because of less interest than expected. It is hoped that interest in that area will improve in the coming season.

Our most sincere appreciation to the Milford National Guard for their efforts in South Park, to the Hopedale Fire and Police Departments for their continued assistance throughout the year, to the Highway Department, the School Department for their assistance in transporting children to playground activities and to the Town Hall staff for their capable assistance to the Park Commissioners.

This season it became necessary for the Park Commissioners to select a new director of recreation. Charles Espanet, due to increased work schedules, could no longer fill the position he so capably filled over the past twenty-odd years. To Charlie, from the present Commissioners and the many past Commissioners who worked with Charlie, from the people of Hopedale and particularly the youth of Hopedale, a most sincere Thank You and best wishes in your new endeavor.

CHARLES HENSEL, JR.  
Clerk

## REPORT OF THE BOARD OF ROAD COMMISSIONERS

Numerous projects have been completed by the Department during 1973. Completed was the resurfacing of approximately 2500 feet of sidewalk. The work was done this year, for the first time, by employees of the Highway Department under the supervision of Foreman John Johnson. This type work is, as a rule, done by contractors.

1200 feet of granite curbing was laid in place on Hopedale Street, creating safer and better walking conditions for residents of the Town.

Roads which were resurfaced during the year included Warfield, Mill, Freedom, Progress and Union Streets.

Although snowfall during the 1973 season was minimal, the Department spent much time in sanding and salting operations, the result of several severe ice storms.

The layout of Freedom Street, from the Mendon town line to the Milford town line, was started. This work is to be done under provisions of Chapter 90 and will be started as soon as preliminary work is completed by the County Engineers.

Numerous traffic regulation signs were located on various streets throughout the Town by the Department at the request of the Board of Selectmen and the Chief of Police.

Curbsings, traffic lines, guard rails and fences throughout the Town were painted during the year by employees of the Department.

A total of six investigations were conducted into drainage methods used by residents, which resulted in hazardous walking and driving conditions for those using the streets near these homes and businesses. Five of the six residents who were contacted regarding improper drainage of water from their property have corrected the problem. The Road Commissioners are working on correction of the one remaining problem with the property owner.

A 1946 Walters snow fighter truck, which was replaced by a 1973 International all wheel drive, five ton truck was sold after being put out on bids. Highest bidder and purchaser of the Walters truck was Upton Fuel and Construction Company of Upton. The sale price was \$900. At the 1972 Annual Town Meeting, when voters approved the purchase of the new vehicle, they also approved the sale of the Walters, as opposed to using it as a trade-in.

Sold at the same time as the Walters truck was a salt spreader. The spreader was sold to Magliaro Brothers, high bidders, at a price of \$303. A total of \$1203 was turned over to the Town **Treasurer**.

A 1973 Elgin street sweeper was purchased late in April replacing a 1962 Wayne street sweeper. Purchase of this piece of equipment was approved by voters at the 1973 Annual Town Meeting.

## REPORT OF THE LIBRARIAN

The Librarian respectfully submits the 88th annual report.

During the year, the Bancroft Memorial Library and its Branch at South Hopedale have continued to serve the public in every way possible. The circulation for the year is 46,938 which shows a slight decrease from 1972. We feel this is due to the fact that our Branch was not operating for about three months. The Library is still used a great deal for reference and information.

There were 137 new borrowers registered during the year, 81 in the Children's Room, 51 in the Adult section, and 5 at the Branch.

Mrs. Elizabeth Butcher resigned as Branch Librarian, taking effect on September 1. She had served well in this capacity for ten years. Mrs. Elizabeth Thayer has been appointed to take her place and opened in her home at 25 Warfield Street in November.

A summer reading program for grades 4, 5, and 6 was held, called the Book Parade in which 16 children were registered. "Busy Bees" certificates were presented to 30 children of grades 1, 2, and 3. Award ribbons and paperback books were presented to the children who read the most books.

National Library Week was observed in April with both adult and children's books on display. Mrs. Kleya's and Mrs. Greene's 3rd grade classes visited the library. Children's Book Week was observed in November with books again on display. The Children's Librarian visited the 5th and 6th grades at Dutcher Street School to show some of her new books and give short reviews.

During the year, various classes have visited the library. Mr. Packard brought his classes on January 16, April 11, and September 27 when the students were allowed to select two books apiece from the Children's and Adult sections. Mrs. O'Connor's class visited on January 17, Mrs. Gross on January 24, and Miss Ripley on February 15. In May, Mrs. Vignone brought her class to look up information about Hopedale's public buildings.

Four story hours were held during the year.

The two Librarians attended a Bay Path Club meeting at the Hudson Public Library in May. In November, Mrs. Heron joined the Librarian to attend a meeting of the same club held at the Library at Fort Devens.

Mrs. Florence Northrop, after ten years of service, decided not to seek reelection to the Board of Trustees in March and Mrs. Leola Stearns was elected to this vacancy.

Again, may we call the public's attention to the fact that books which are not available in our library, may be borrowed from Worcester. The Bookmobile still visits us from which we may borrow both books and records. We are also able to borrow films for either an organization or for personal use.

We wish to acknowledge the many gifts of magazines and books presented to us by the Townspeople.

The Library hopes to serve in any way possible during the year of 1974. Again, my heartfelt thanks goes to the Staff and Board of Trustees for their continued support and cooperation.

CONSTANCE L. CLARK  
Librarian

## **REPORT OF THE WIRING INSPECTOR**

As your Wiring Inspector for the year 1973 I submit the following report:

- 47 wiring inspections
- 1 request inspection of nursing home

A total sum of \$161.00 was taken in for wiring permits and turned over to the Clerk of the Board of Selectmen.

Respectfully submitted,

**ALBERT J. SHIMKUS**  
Wiring Inspector

## **REPORT OF INSPECTOR OF ANIMALS**

As your Inspector of Animals I submit the following report for the year ending December 31, 1973:

I have inspected all animals and the premises where they are kept and made my report to the Division of Animal Health;

I have quarantined thirteen dogs that have bitten people and reported to me by the Board of Health.

**W. CHESTER SANBORN**  
Inspector of Animals

## **REPORT OF THE SUPERINTENDENT OF INSECT PEST CONTROL**

As your Superintendent of Insect Pest Control I submit the following report for the year ending December 31, 1973:

Eighteen Elm Trees were removed which were infected with the Dutch Elm Disease.

Tent Caterpillars were as usual an unsightly insect in the Spring as was the Fall Web Worm in the Fall. However, both insects are harmless and mostly a nuisance.

Massachusetts is putting up a full fledged fight against the Gypsy Moth which will probably be a serious threat next year.

**W. CHESTER SANBORN**, Superintendent  
Insect Pest Control

## **REPORT OF THE BOARD OF APPEALS**

In 1973 the Board of Appeals conducted seven public hearings in response to requests for special permits and petitions for variances from the Zoning By-Laws. Disposition on all hearings were made in writing and were filed with the Town Clerk.

Once again the Board of Appeals wishes to extend its sincere appreciation to the staff at the Hopedale Town Hall for their help and assistance rendered in the preparation of notices and decisions.

The Board also wishes to express its appreciation to John A. Hayes for his conscientious and dedicated efforts while serving as a member of this Board.

**JAMES J. LARKIN, Chairman**

## **REPORT OF THE HOPEDALE HOUSING AUTHORITY**

The Hopedale Housing Authority submits to you and the Citizens of the Town of Hopedale its twelfth annual report.

The Authority held 12 regular meetings and 9 special meetings during the year 1973. The members also attended 2 meetings of the Blackstone Valley Association of Housing Officials.

All apartments are occupied and the waiting list continues to increase in anticipation of the 40 new apartments to be constructed.

In October of 1973, sub-contract bids were opened for Project 667-2, and in November the General Contract bids were opened. With approval of the Department of Community Affairs, the firm of C. Richard Stevens & Associates of Grafton was selected as the General Contractor.

New construction was to have been started in December but due to a question on variance rulings, all plans to proceed were delayed until the matter is resolved.

## REPORT OF THE SCHOOL COMMITTEE

The members of the School Committee have voted to adopt the report of the Superintendent of Schools as the Committee's annual report.

MR. WALTER O. HOFFMAN, Chairman  
DR. VINCENT J. ARONE  
DR. WILLIAM D. FITZGERALD  
MR. BERNARD J. MARCUS  
MR. VINCENT E. RUBEO  
Hopedale School Committee

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Committee  
and the Citizens of Hopedale

The five-member School Committee remained unchanged in make-up during 1973 due to the fact that both Dr. Vincent J. Arone and Vincent E. Rubeo were returned to office in the March elections.

Activity by the School Committee followed a normal pattern with fourteen regular committee meetings plus two meetings with the Finance Committee on the subject of the School Budget which covered an eighteen-month period from January 1, 1973 through June 30, 1974. During the first nine months of 1973, Dr. William D. Fitzgerald served as the Committee's representative on the Regional School Planning Committee, with Mr. Walter O. Hoffman succeeding him for the latter portion of the year. Two members of the School Committee also attended conferences at the state and national levels.

A two-year contract between the School Committee and the Hopedale Teachers Association was negotiated with the Committee employing a negotiator for the first time in the person of Attorney Robert S. Phillips. The new contract established teacher salary schedules providing for a 5% increase in 1973-4 and 6% in 1974-5, and eliminated negotiations for one year.

Significant items activated by the School Committee included the addition of teacher aides to the Junior-Senior High School staff in the fall of 1973, with the evaluation of the aide program to be made at the conclusion of the 1973-4 school year. The aides supervise the corridors, lunchroom and other areas during the school day and also perform certain office duties to assist teachers in the preparation of materials.

A cooperative plan between the public schools of Hopedale and Milford was also inaugurated by the School Committee. Under the plan, thirty-two senior high school students were permitted to enroll in the Occupational Education program at Milford High School. Combined classes in Special Education were set up to include Hopedale and Milford students with two classrooms being provided for that purpose in Hopedale and with older children being placed in a Special Class in Milford High. Assistance was also given in Milford's kindergarten program, with one classroom being leased to Milford and another classroom with teacher being made available. The School Committees of the two towns estimated that the contributions by each were roughly equal so no actual expenditures of funds was made with the exception of transportation with each system taking care of its needs in this respect. During the fall months, the plan seemed to work well. Hopedale citizens must realize that Hopedale's continued participation in the Occupational Education program must of necessity depend upon Milford's available space after its own needs are met.

A simulated office program in Business Education was installed in the Junior-Senior High mainly through the efforts of Mrs. Margaret Allen, department head, with the use of Federal funds available for that purpose.

Several one-semester courses were installed in the high school English curriculum, thereby effecting broader schedule offerings for students.

Hopedale's school buildings were improved during the year in a number of instances. Exterior painting was carried out on two elementary schools as well as on one section of the high school building. Interior painting was done in the Dutcher Street School and eight rooms were renewed in the High School. The roof in the original portion of the high school was replaced and sidewalks at that building improved. New lighting was installed in the high school cafeteria. Two basement classrooms in the Dutcher Street School were paneled. Door checks and locks were renovated throughout the buildings.

The Dutcher Street Building continues to be inadequate and costly to maintain. It is not possible to offer the type of program that a modern school plant would provide at the middle school level. Serious consideration should be given to either phasing out or replacing this building.

Included in School Committee discussions during the past year were: approval of the purchase by the music department of risers for stage performances; the present honor roll system in the high school; the purchase of a new school bus from Ward of New England (not yet delivered); the formation of a new athletic league to be known as Dual Valley; a review of mathematics teaching; and the energy crisis as it affects the schools.

In the year ahead, important decisions will face the Committee as it approaches the task of maintaining curriculum standards in the face of a downward trend in enrollments. A table of births in Hopedale for the years 1965 through 1973 may be of value in looking ahead at prospective school enrollments:

<u>Year</u>	<u>No. of Births</u>	<u>Year</u>	<u>No. of Births</u>
1973	35	1968	51
1972	35	1967	54
1971	44	1966	51
1970	49	1965	57
1969	58		

Even with movement into existing housing of families with children, as is historically the case, it would appear that rather drastic enrollment reductions are but a few years away. The curriculum available to Hopedale children and the cost of operating the schools are two key matters with which citizens and their school committees must be concerned.

Respectfully submitted,

DONALD S. DOW  
Superintendent of Schools

## REPORT OF THE INDUSTRIAL DEVELOPMENT COMMISSION

The Hopedale Industrial Development Commission was established in accordance with M.G.L. Chapter 40, Section 8A by the 1973 Annual Town Meeting. An organizational meeting was held on April 10, 1973, and Richard T. Moore was elected first Chairman of the Commission.

During the year meetings were held with an official of the Massachusetts Department of Commerce and Development for an orientation on industrial development activities and with a representative of Rockwell International Corporation to develop a cooperative approach to industrial development in Hopedale. Additional meetings with Rockwell representatives in 1974 are planned as this is essential to any industrial growth in the community.

The Commission also attended a meeting of area community officials in Sutton to discuss problems of Rockwell in hiring and retaining personnel on September 26 and an exhibit of new Rockwell products at the Hopedale plant on December 18. The Commission hopes to work with the Planning Board to develop additional industrial and commercial zones in the community in order to attract development beneficial to the tax base and to employment. Any projected development, however, is likely to be dependent upon regional economic conditions and the "energy crisis."

Respectfully submitted,

RICHARD T. MOORE, Chairman  
DENNIS J. SCIOLE, Clerk  
CATHERINE V. BAVOSI  
DAVID C. CALARESE  
HOWARD A. FAFARD

## REPORT OF THE HISTORICAL COMMISSION

I respectfully submit the third annual report of the Hopedale Historical Commission.

This year has seen the loss of Mrs. Leola Stearns as Chairman and member of the Commission, due to her resignation. We commend and thank her for her interest and industry during her tenure. Mr. James A. Chandler, Jr. also resigned from the Commission, and Miss Mary Scahill and Mrs. Ann Huff have been appointed to fill these Commission vacancies. Mesdames Ann Brown and Elizabeth Rose and Mr. Charles Cox have been appointed Associated Members.

Reorganization of the Commission has been completed, and regular monthly meetings at the Town Hall on the third Thursday have resumed. Work is continuing on the town inventory, and a display of the original and only Town Weights and Measures Standards is being prepared for public view on the first floor of the Town Hall.

In the spring of 1973, the Hopedale Historical Commission became a member of the Bay State Historical League. This organization provides much helpful material and assistance to its members.

The Commission thanks Daniel Bluestone, a Harvard Architectural student who recently completed a research project here, for supplying our library with a copy of some interesting and valuable information about Draper built houses and Parklands. It is our hope that Hopedale residents will avail themselves of the opportunity to read these papers which indicate another example of the unique character of our town.

The Commission also thanks Mrs. Leola Stearns for her work with Mr. Robert Wood in the recent mini-course of Town History given at the Jr.-Sr. High School. We hope this will encourage increased interest in the town by our young citizens.

HOWARD C. WEAVER, Chairman  
ROBERT P. WOOD, Vice-Chairman  
MORTIMER C. DENNETT
